Client Info

- **Truck # & Trailer #**
 - **PO:** Use unit # if PO not provided.
 - **Special Instructions:** Name of client rep calling the service in (if by phone) and any special instructions
-
- **If client is missing information on request:** Enter Need on Step 1 and edit on Step 2 when verifying with their driver
 - **If CoreTrans driver info not available:**
 - **Customer:** "Unattended"
 - **Phone:** "9999999999"
 - Do not use client rep's name / phone. This info is visible on dispatch paperwork and our vendors should never be in direct contact with our client reps.
 - **If the unit is going back to our tow vendors lot for storage:**
 - Select "Drop-Off is Vendor Lot?" box
 - Enter TBD for Del Location, use PU Location State / Zip
 - Negotiate vendor daily storage rate
 - Verify the storage address and update to Del Location on move at dispatch

- Enter quote at \$1, note with tow quote and daily storage amount
- Include the daily storage rate and storage address in client email update
- Once unit is back at vendors lot, confirm move as delivered and verify the move goes into "Hold" status. If move does not automatically go into Hold status, manually change status to Hold.
